**Camping: There will be camping available at the start/finish, but no running water ( ¼ mile from Pt. Gamble)**

**Course: The course is eight 12.5 mile loops with 3 aid stations per loop (start/finish included). It is a mixture of single track and dirt roads ( about 75% / 25%). There are no large climbs, but definitely lots of ups and downs. There is approximately 1500 ft per loop for a total elevation gain of 12,000 feet. **marked with reflective tape and reflective arrows****

The course starts out with a little downhill and flat to .75 mile and then starts climbing the Babcock Trail for about ¾ of a mile to top out on G1300. South on G1300 and then starts single track through Ewok Forest, Fun Forest, Forbidden Forest and back onto G1000 to the first aid station, at about mile 4.

Jump back onto some really new single track, across G1510, across G1500 and onto Crooked Tree trail. Out of Crooked Tree, left onto Bear Alley and across G1600 into some more single track. Right onto G1700 for a ¼ mile and left onto Alder trail, through the water bogs and down Drop trail. Out of Drop trail take a right on G1920, out to G1900 and take a right, down to Bobsled trail. Take a very quick left turn and follow trail to Derailer. Take lower Derailer and stay right all the way down to G1900. Head up G1900 to Upper Mirkwood and take a right into the woods. Head straight ahead onto Azkaban trail. Exit the trail and find yourself at the second aid station, about mile 9 1/2.

**From here it is a straight run, up and down, on G1200 until you get to G1000. Head down the hill all the way to G1100 and hang a left. Go about ½ a mile more, then hang a right onto Beaver Pond trail and ½ mile to the finish.**
